

§ 382.53

written explanation of any action taken under this paragraph within 10 days of the request.

(c) If a qualified individual with a disability with a communicable disease or infection of the kind described in paragraph (b) of this section presents a medical certificate to the carrier, as provided in § 382.53(c)(2), the carrier shall provide transportation to the individual, unless it is not feasible for the carrier to implement the conditions set forth in the medical certificate as necessary to prevent the transmission of the disease or infection to other persons in the normal course of a flight.

[55 FR 8046, Mar. 6, 1990, as amended by Amdt. 6, 61 FR 56423, Nov. 1, 1996]

§ 382.53 Medical certificates.

(a) Except as provided in this section, a carrier shall not require a person who is otherwise a qualified handicapped person to have a medical certificate as a condition for being provided transportation.

(b)(1) A carrier may require a medical certificate for a qualified individual with a disability—

(i) Who is traveling in a stretcher or incubator;

(ii) Who needs medical oxygen during a flight, as provided in 14 CFR 121.574; or

(iii) Whose medical condition is such that there is reasonable doubt that the individual can complete the flight safely, without requiring extraordinary medical assistance during the flight.

(2) For purposes of this paragraph, a medical certificate is a written statement from the passenger's physician saying that the passenger is capable of completing a flight safely, without requiring extraordinary medical assistance during the flight.

(c)(1) If a qualified individual with a disability has a communicable disease or infection of the kind described in § 382.51(b), a carrier may require a medical certificate.

(2) For purposes of this paragraph, a medical certificate is a written statement from the passenger's physician saying that the disease or infection would not, under the present conditions, be communicable to other persons

14 CFR Ch. II (1–1–01 Edition)

during the normal course of a flight. The medical certificate shall state any conditions or precautions that would have to be observed to prevent the transmission of the disease or infection to other persons in the normal course of a flight. It shall be dated within ten days of the date of the flight for which it is presented.

§ 382.55 Miscellaneous provisions.

(a) Carriers shall permit dogs and other service animals used by handicapped persons to accompany the persons on a flight.

(1) Carriers shall accept as evidence that an animal is a service animal identification cards, other written documentation, presence of harnesses or markings on harnesses, tags, or the credible verbal assurances of the qualified individual with a disability using the animal.

(2) Carriers shall permit a service animal to accompany a qualified individual with a disability in any seat in which the person sits, unless the animal obstructs an aisle or other area that must remain unobstructed in order to facilitate an emergency evacuation.

(3) In the event that special information concerning the transportation of animals outside the continental United States is either required to be or is provided by the carrier, the information shall be provided to all passengers traveling with animals outside the continental United States with the carrier, including those traveling with service animals.

(b) Carriers shall not require qualified individuals with a disability to sit on blankets.

(c) Carriers shall not restrict the movements of handicapped persons in terminals or require them to remain in a holding area or other location in order to be provided transportation, to receive assistance, or for other purposes, or otherwise mandate separate treatment for handicapped persons, except as permitted or required in this part.

§ 382.57 Charges for accommodations prohibited.

Carriers shall not impose charges for providing facilities, equipment, or
